POSTLUDE

We dedicate to the glory of God our new Christian Education Building (The Andrew Small Memorial). The building has been planned with a most versatile arrangement of class rooms designed for multiple use. It is equipped for the most modern types of teaching.

In addition to class rooms and an office, the structure contains a spacious and beautifully furnished church parlor and library. To this peaceful place may come one or two, or a small group, just to relax and chat; or to read, meditate, and pray; or to meet and discuss plans as they relate to His Kingdom; etc.

The Fellowship Hall is furnished with facilities to promote Christian friendship and recreation throughout our church and community.

The modern kitchen, stage, and projection equipment will all contribute to programs and activities which will bring us closer together.

We praise God that we have been privileged to see the achievement of this building project. We rejoice and are grateful for the prayerful and generous financial support of our members and friends. And we look forward to your continued support for the elimination of our indebtedness.

The members and friends of the congregation are very cordially invited to remain for refreshments following the Service of Dedication.
